These terms and conditions of sale (“Terms”), any ITW quotation, acknowledgment or invoice and all documents incorporated by specific reference herein or therein (“ITW Documents” and together with these Terms, the “Agreement”), constitute the complete terms governing the sale of Products and Services. ITW HEREBY DISCLAIMS ANY ADDITIONAL OR DIFFERENT TERMS OR CONDITIONS PROPOSED BY PURCHASER, WHETHER OR NOT CONTAINED IN ANY OF PURCHASER’S BUSINESS FORMS OR ON PURCHASER’S WEBSITE, AND SUCH ADDITIONAL OR DIFFERENT TERMS WILL BE OF NO EFFECT. No site usage agreement or any other click through agreement on a website will have any binding effect whether or not ITW clicks on an “ok,” “I accept,” or similar acknowledgment. Commencement of any work by ITW or Purchaser’s acceptance of delivery of the Products or Services will manifest Purchaser’s assent to the Agreement. Additional or different terms applicable to a particular sale may be specified in the body of an ITW Document or agreed to in writing by the parties. In the event of a conflict, the following order of precedence will apply: (a) terms agreed to in writing and executed by an authorized officer of ITW; (b) ITW Document terms; (c) these Terms. ITW products and/or services are subject to the most current version of ITW Terms and Conditions of Sale, which may be changed at any time, without notice and found at www.itwperformancepolymers.com.

2. Quotations. Quotations are only valid in writing and for 30 days from the date of the quotation. All quotations are subject to change or withdrawal without prior notice to Purchaser. Quotations are made subject to approval of Purchaser’s credit. ITW may refuse orders and has no obligation to supply Products or Services unless ITW issues an order acknowledgment or upon the shipment of Products or commencement of Services.

Purchase orders should be in full case quantities, if not, items will be increased to next available case quantity by ITW Polymers Adhesives Customer Service at time of order entry. All orders are accepted subject to ITW’s price in effect at time of shipment. Prices do not include any sales, use, value-added or other taxes, import duties, license fees or like charges (“Fees”) related to the sale, importation or use of Products or Services, and Purchaser is responsible for those Fees. If ITW is subsequently required to pay any Fees, Purchaser shall fully, reimburse, defend and indemnify ITW therefor. Contact ITW for price and delivery of special (MTO) products. Terms of payment are 30 days net from the date of ITW’s invoice. Overdue invoices may at our discretion incur interest at the rate of 1.5% per month, or at the maximum rate allowable by governing law. Purchaser’s inspection rights herein will not affect the payment terms. Under no circumstances will Purchaser have a right of set-off. If Purchaser fails to make any payment as required, Purchaser agrees to indemnify ITW for all associated costs incurred by ITW, including reasonable attorney fees and court costs.

4. Credit Approval. All shipments are subject to approval by ITW’s credit department. ITW may invoice Purchaser and recover for each shipment as a separate transaction. If, in ITW’s sole judgment, Purchaser’s financial condition is or becomes unsatisfactory, then ITW may, without prejudice to any of its other remedies: (a) defer or decline to make any shipments except upon receipt of satisfactory security or cash payments in advance; and/or (b) terminate any or all of Purchaser’s purchase orders.

5. Cancellation or Modification. ITW may cancel any purchase order or release thereunder, or terminate any agreement relating to the purchase of ITW’s Products or Services upon reasonable prior written notice to Purchaser. Once ITW has accepted a purchase order or began taking actions with respect to a purchase order, Purchaser cannot cancel or modify that purchase order except with ITW’s written consent. 6. Inspection / Non-Conforming Shipments. Purchaser may inspect Products for a period of 15 business days after delivery (“Inspection Period”). Purchaser must notify ITW in writing of any Products that do not conform to the specifications applicable to their sale within the Inspection Period and afford ITW a reasonable opportunity to inspect such Products and cure any nonconformity. If Purchaser fails to provide ITW such written notice within the Inspection Period, Purchaser will be deemed to have accepted the Products. Purchaser may not return any Product without ITW’s prior written authorization. Any return authorized by ITW must be made in accordance with ITW’s return policies (page 3). Purchaser will be responsible for all costs associated with returns of Products and will bear the risk of loss, unless ITW agrees otherwise in writing or determines that the Products do not conform to the applicable terms of sale. Any variation in quantities shipped over or under those ordered (not to exceed 10%) will constitute compliance with Purchaser’s order, and the stated price per item will continue to apply.

A handling charge of $250.00 will apply for each emergency air shipment. Emergency Drop shipments can be made for a $250.00 charge and require ITW approval. All freight costs associated with emergency shipments will be prepaid and added to the invoice, Incoterms 2010, FOB shipping point, unless otherwise specified in the case of multiple shipments. Under no circumstances will Purchaser ever have a right of set-off. If Purchaser fails to make any payment as required, Purchaser agrees to indemnify ITW for all associated costs incurred by ITW, including reasonable attorney fees and court costs.
