

Frequently Asked Questions about Devcon

Devcon:

- If you have a question about a Devcon Home, Versachem, or ITW Consumer product, please visit the ITW Consumer website at <http://www.itwconsumer.com/> for more information.
- Can you powder coat any of the metal filled epoxies (Plastic Steel Putty, metal putties, Plastic Steel Liquid)?
 - Although nonconductive, there have been many experiences reported where the Titanium Putty has been successfully powder coated when used for small repairs such as filling unwanted holes or making good weld seams.

General Questions

- Where can I find a Safety Data Sheet for one of your products?
 - <https://itwperformancepolymers.com/data-sheets/safety-data-sheets>
- Do you have more detailed product information available, such as mix ratio, operating temperatures, and application instructions?
 - These can be found in our Technical Data Sheets, which are available at <https://itwperformancepolymers.com/data-sheets/technical-data-sheets>
- Where can I get pricing information or purchase one of your products?
 - Please contact one of our distributors, which can be found at <https://itwperformancepolymers.com/distributors>
