DFENSE BLOK™ - REVOLUTIONIZING WEAR AND ABRASION PROTECTION
DFENSE BLOK™
WEAR & ABRASION PROTECTION

DFense Blok™ is a new, innovative line of specially formulated wear and abrasion products designed to outperform and outlast traditional wear and abrasion epoxies, while also providing superior performance in the most severe conditions.

Use DFense Blok™ Surface Wetting Agent for superior performance in the most severe conditions — 3X stronger than the competition™
- Zero wait time before applying DFense Blok™
- Allows superior adhesion to vertical and overhead surfaces
- Use in place of expanded metal
- Orange color for easy visual inspection
