

Permatex High Strength Removable Orange Threadlocker

Are you afraid to use Red Threadlocker,
but need a product stronger than Blue?

Permatex High Strength Removable Orange Threadlocker is a one-of-a-kind anaerobic formula that combines the strength of Permatex Red Threadlocker with the removability of Permatex Blue Threadlocker. **Permatex Orange Threadlocker** provides high strength for heavy-duty applications, but unlike Red Threadlocker, can be removed with hand tools and does not require heating to achieve removal.

With 3X the strength of Blue Threadlocker, **Permatex Orange Threadlocker** locks, seals and ensures that parts do not loosen over time. Ideal for high vibration applications.

Applications

- Construction equipment
- Manufacturing machinery
- Axle nuts
- Starter bolts
- Flywheel bolts
- Triple tree fasteners
- Case half bolts
- Power tools

Item #	Description	Case Pack	Case Dimensions
25210	High Strength Removable Threadlocker 10 ml Tube	6	7.25L x 5.25W x 4.75 H
